ABOUT POSITIVE BEHAVIOR SUPPORT

Positive Behavior Support (PBS) is a program designed to teach respect, responsibility and safety at school. At Roosevelt Elementary we hope to encourage students to continuously make good behavioral choices by implementing this program.

PBS provides teachers and other school staff with information to help prevent behavior problems and help make school a safe learning environment.

PBS is a research-based program which can result in:

- An increase in positive behaviors school-wide

How the Program Works

- In this brochure you will find the Roosevelt Elementary Expectations for behavior. These expectations will be posted in each classroom and throughout the school.
- Posters made by the students that highlight behavior expectations for all areas of the school—from the classrooms, playground and bus room to the restrooms and buses—will remind students of what is expected from them in each area.
- Reminders about behavior and expectations will be delivered daily to the students by other students through our “Words of Wisdom” program.
- Each classroom will track the students’ daily behavior through their classroom Behavior Management Chart.
- Students will track their behavior on their personal behavior calendar which will be kept in their folder.

Green = Good behavior

Yellow = Warning

Red = Detention

Blue = Removal from class

- Please review the calendar each night with your child and discuss their behavior at school that day. **Please leave the calendar in the folder.**
